#### TRAIL RATING DEFINITIONS FOR CYCLISTS

The following provides a difficulty rating for mountain bikers. The ratings are relative to the levels of challenge found on other trails here. Even the "Easiest Trail" can provide a challenge for many riders. Always ride within your own level of ability and at your own risk.

2.0 km

- Trail contains gentle climbs and open turns with hardened trail surface such as gravel or stone dust. This trail is recommended for all levels.
- Challenging double or single-track trail containing slight turns and gentle climbs. Unavoidable obstacles such as bridges, boardwalks, roots, logs and potholes are present on trail. Ride within your level of ability and at your own risk.
- Challenging with steep climbs and tight turns. Narrow trail with unavoidable obstacles such as bridges,boardwalks, roots, logs and potholes. Ride within your level of ability and at your own risk.
- Challenging single-track trail with a mixture of steep climbs, sharp turns, loose trail surface and numerous obstacles to avoid or jump over. Bridges, boardwalks, roots, logs and potholes are present on trail. Ride within your level of ability and at your own risk.

# IMPORTANT INFORMATION - PLEASE READ!

#### HUNTING ON THIS PROPERTY

- Hunting is permitted on this property
- During deer season (first week of November) trail users should wear bright colours
- This is a multi-use trail facility. Hunters must be aware that other trail activities take place here
- Hunters must obey county signs that prohibit or restrict hunting

#### USER INFORMATION

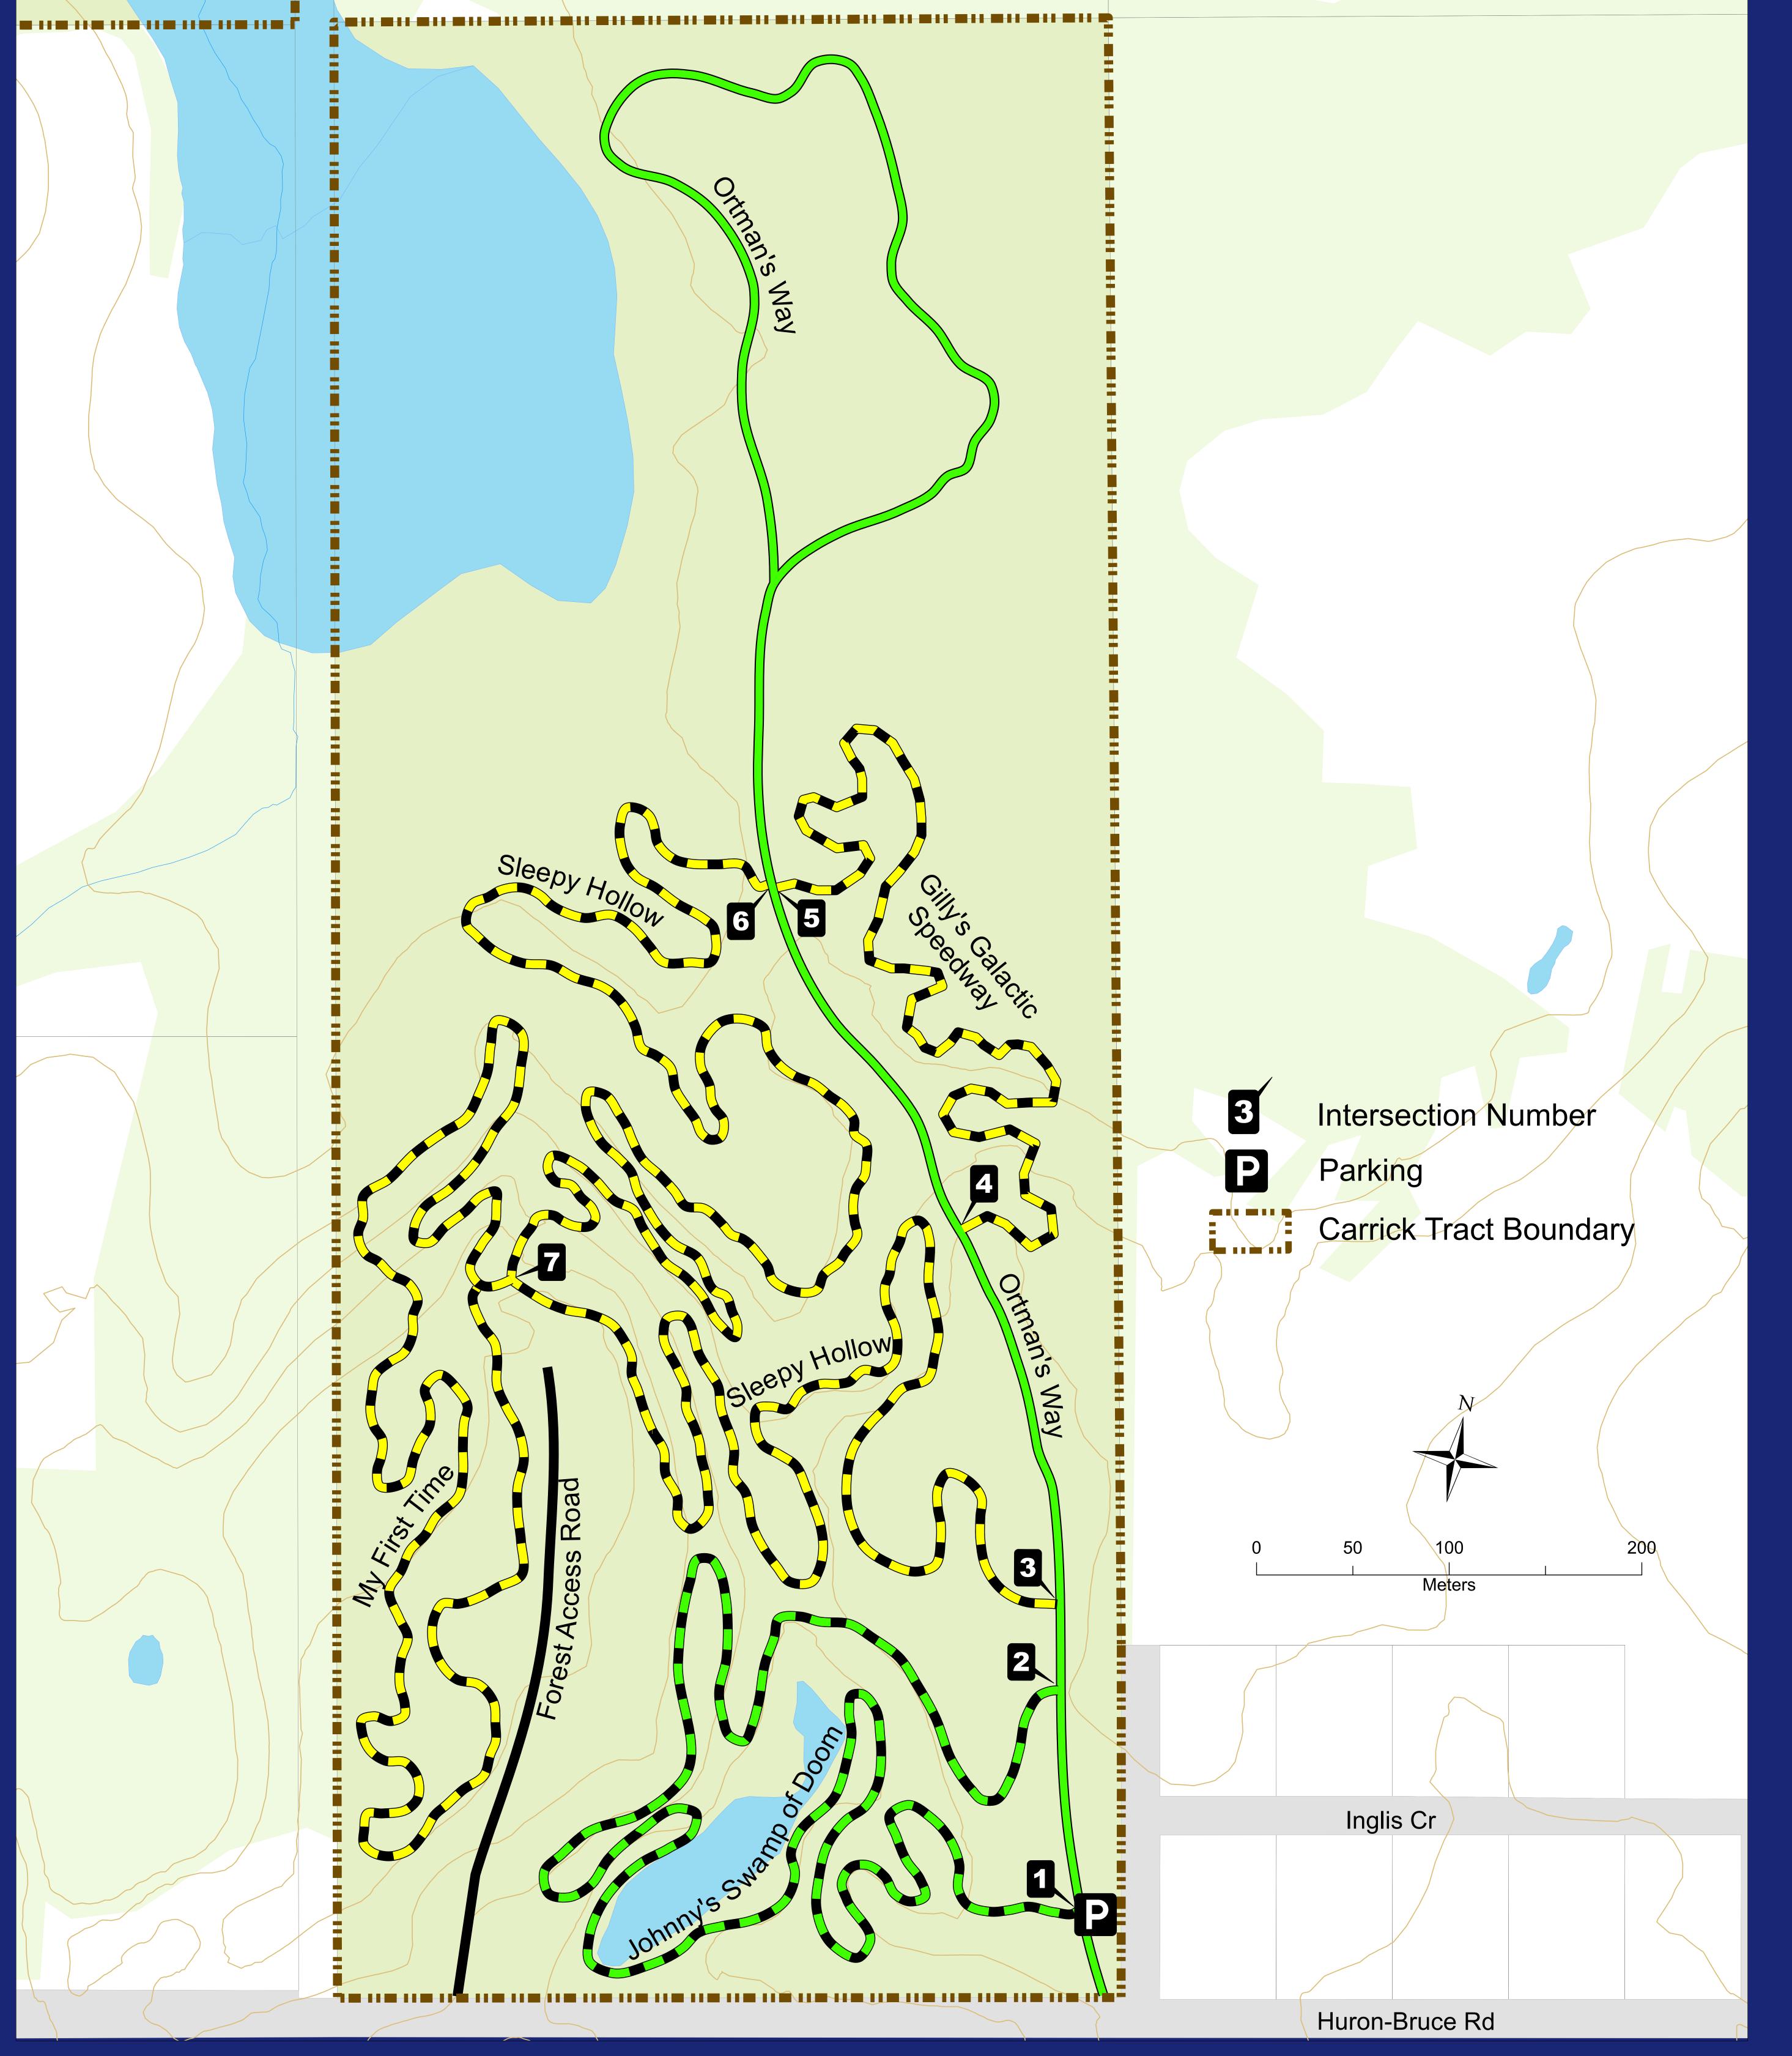

- USE TRAILS AT OWN RISK!
- Trail use can be a risky activity. Be aware of changing conditions on trails
- Helmets are mandatory on all trails
